\* Applicants can rank multiple specialties. In 2021, 2,347 applicants matched to both PGY-1 and PGY-2 positions; of those applicants, 1,743 were U.S. MD seniors.

\*\* Physician (R) positions are PGY-2 positions starting in the year of the Match that are reserved for applicants who have had prior graduate medical education. Physician positions are not available to senior medical students. In previous *Results and Data Books*, the numbers of R positions were small and they were included in the categorical position counts. In 2014, NRMP began listing R positions separately.
